

### CLIFTON USES MORENCI SERIES

Blanked in Saturday Game and Lost Sunday by Score of 5 to 4.

Morenci, Ariz., May 30.—Morenci, 5-4; Clifton, 4-7. That "tells the story of the Sunday game between the two rival teams. Morenci won the contest after a hard struggle from its old time opponents by a single score after the game had been played to the limit by the two clubs.

Cummins pitched for Morenci and allowed but eight hits, while Clifton for Clifton got away with one more for his credit. Morenci had one error charged against the fielding of that club, while Clifton had two bingles. The batteries were: Morenci, Cummins and Hoffman; Clifton, Clifton and Critchfield.

In the fastest game of the season, Morenci defeated Clifton here Saturday by a 5 to 4 score. It was a pitcher's battle, pure and simple, with the honors about even, and went for 10 innings.

The fact that three of Clifton's regular men were out of the game necessitated a complete change of lineup, but manager Riley plugged up the holes. When Baroldy arrived in town last week Riley immediately got in communication with Vic Walling with the result that the former Cananean is now wearing a Clifton uniform. Bousquet, a former Douglas player, was also secured from Globe.

Clifton bunched two of her hits in the second, but the pitching of Ash-ley held them safe. Outside of this inning not a local runner passed second, and only three got that far. Clifton had a chance to win in the ninth with a runner on second and one down, but stupid base running blanked them.

Only one Morenci man got as far as second up till the tenth. The visitors went down one, two, three in each inning but the second and seventh, only three men getting on bases until the final round.

A single and an error got two on bases for the visitors in the tenth. With two down, Critchfield singled to left, bringing in the winning run. The play to the plate was close. Both teams played a fast fielding game.

### JEFFRIES DRAWS CROWD TO CAMP

Coffroth Says Jeffries Is in Better Shape Than Ten Years Ago.

Ben Leonard, Calif., May 30.—Although boxing was not on the program Sunday at the Jeffries training camp, the gymnasium was packed while the ex-champion went through his work. It was the largest and one of the most enthusiastic crowds that have visited the camp.

Despite the extreme heat of the day, Jeffries shirked none of the arduous gymnasium tasks. He worked hard for an hour and a quarter and retired to his dressing room dripping.

Among the sporting men in the crowd was Jim Coffroth, the San Francisco fight promoter, who had not seen Jeffries in action since he watched him box in New York last December.

"I didn't think that Jeffries ever could get down so fine in weight," said Coffroth. "He looks to me to be in just about the same condition as he was when training for Monroe in Harbin Springs. I am of the opinion that he is a better man today than he was 10 years ago."

18 HITS FOR GLOBE IN COPPER HILL GAME Won the Sunday Endurance Contest by 15 to 2—Jones Is Some Hitter.

Globe, Ariz., May 30.—Reno in the box for Globe on Sunday, held Copper Hill down to six scattered hits, and Globe won easily by hard hitting, batting Weisbecker out of the box in the first inning. The batting of Jones was a feature, he getting a home run and a triple.

### EL PASOANS PLAY BALL TEAM AT CHIHUAHUA

Visitors Win Ball Game But at Bowling, Well, Ask Chihuahua.

"El Toros," the crack aggregation representing the Southwestern Cement company, defeated the Chihuahua Foreign club team yesterday in Chihuahua by a score of 12 to 3. Chihuahua batted well, but Hines, who officiated on the slab for El Toros, succeeded in scattering the 11 hits secured off him so that they had little effect. The boys from El Paso played an excellent game, Buker, otherwise known as "Baltimore Joe," landed on the ball for three more, repeating his usual Sunday performance. Finney, the nifty little catcher, also proved his right to the title of home run Tom by losing the ball for a grand circle. Lelenir and Fickner of the Chihuahuans are handy boys with the stick, each tapping out three hits apiece.

Sherman of the cement team, showed up well on the coacher's line and handled the team in good shape.

M. A. Weinberg of the El Paso Herald held the indicator. His decisions were doped out in a way which proved satisfactory to both sides.

El Paso Beaten at Bowling. Following the ball game a bowling contest was framed up, but that is a different story—as what the Chihuahuans boys did to the El Pasoans was plenty—and then some.

Where the boys were counted, there were no El Paso survivors and they didn't know exactly what happened until the returns were all in. The El Paso boys won't tell just what the final score was, but they were defeated by such a bunch of royal good fellows leave no sting, as the El Paso bunch were high on praise of their reception and entertainment while in the Mexican city.

SPEED RECORDS BROKEN ON AUTO TRACK Barney Oldfield Again Establishes a World Record—Other Good Time Made—Two More.

Indianapolis, Ind., May 30.—In desperate struggle for supremacy among drivers of the most powerful American cars, records were down for all distances between five and 200 miles at the Indianapolis speedway Saturday and in the merciless grind only two men were injured.

Herbert Lytle, the driver, and his mechanic, William Clifton, were hurled from their car, when a front tire burst as they were turning in the home stretch in the last lap of the mile free-for-all handicap. Lytle's leg was broken and Clifton was badly bruised.

The mile record for cars of 151 to 600 cubic inches piston displacement was broken by Barney Oldfield in his Knox. Time, 4:03. The old record was 4:12.

The 10 mile record for cars of 101 to 150 cubic inches displacement, his time was 8:08 against the former record of 8:17. Harroun (Marmon) and Merce (National) were close second and third.

Burman (Buick) led off the 200 mile, Harroun (Marmon) pressing almost against his rear wheels, but Burman had trouble before the 20th mile and the finish Harroun kept the lead.

Harroun drew 10 miles ahead of all rivals after the 100 miles had been covered. Lynch (Jackson), A. Chevrolet (Buick) and Aitken (National) alternated in second place until the last of the field hopelessly behind, but grimly hanging on.

SAN MARCIAL HAS A BALL GAME SUNDAY. Helen Is Coming Down Soon and the San Marcial Boys Will Have New Suits and a Grandstand.

San Marcial, N. M., May 30.—The San Marcial baseball boys played a scrub nine game with the railroad men, yesterday afternoon. The score was 10 to 6 in a three inning game. The regulars claim it was not even interesting, while the opponents say the game was called off because of the extreme heat.

The Belen team has signed up for a game here June 12. By that time the local boys expect to have their new suits and a new amphitheater may be built. King, Nelson & Co., proprietors of the Horry road property, have ordered the lumber and engaged a carpenter to put it up. In addition to the small fee for a shady seat, the men will sell soft drinks and cigars.

SCHOOL COMMENCEMENT. Commencement exercises will be held at St. Joseph's academy on Wednesday morning at 9:30.

### EL PASO AND DAME FORTUNE ROUT BISBEE IN HARD HITTING CONTEST

Game Won in Ninth by Earthman and Jackson's Stick Work.

Baseball luck was breaking for El Paso Sunday. With the score of the Bisbee-El Paso game 5 to 6 right up to the end of the heart breaking ninth, El Paso met the situation full in the face and scored two runs, winning the game and the series from the top line attraction in the Cactus circuit. Kal Earthman did it with his little bickery augmented by Jackson's timely hit down first base way in the final session.

The game had gone merrily along up to the ninth, with Bisbee furnishing most of the excitement. Bisbee scored early in the second, again thrice in the third, made it two more in the fifth and sixth and then retired on the honors won. El Paso amassed three in the third and two more in the lucky seventh, making the score balance and show a deficit of two runs for El Paso after Bisbee had been to the bat the last time.

Went in the Ninth. Hewitt, the first man up in the inning, got on by a piece of good luck, which started the peddling of this brand of article among the El Paso folks. He hit down third base way. Plake fielded it high to Gray at first, who failed to stab the local leader as he went past. This put him on first with the pride of the batting order up.

Earthman followed with a slashing line drive down third base line which hit squarely inside the flag and sent Hewitt home to glory with the score tied and the grandstand wild. Jackson scored the runner to bat and scored the runner to bat as clean as it is possible to make. This scored Earthman and ended the agony.

Doan Was Strong for Bisbee. Senior Doan worked for the Maroons and was getting away with his game beautifully until Earthman's and Jackson broke up his little party. Doan used a splitter which was some moist, with the result that many of the batted balls slipped a cable on the wet spot in trying to field a ground ball by Gill.

Gray worked for El Paso. That much overworked word is the exact one for the description of the big fellow's efforts. He was up and at it in every inning, getting better as time went on, and finishing the Bisbee and the game in the ninth by retiring the side without a man reaching first.

The fielding at times was a bit ragged, but the boys did not let the wrong way in the case of the first hit registered against him. The wind caught Deakin's fly and carried it up and in so much that Gowan could not get under it from center, scoring a hit on what would have been an easy chance for little Duck under ordinary wind conditions. Doan used a deceptive drop which caught the El Paso batters asleep a number of times, and for a pitcher who had as little on the ball as Doan did, the Bisbee slub worker got away in good style.

Both Sides Hit. It was a hitting game on both sides and Ketchum, of El Paso, gets the pup in this department. The sun tanned left fielder had it over his rival, Deakin, of Bisbee, in that he hit at opportune times, his strike in the seventh being the one thing that broke up the Bisbee game. Hewitt had got on, but was forced out at the plate. Earthman managed to get around to second on his fly single to right and Jackson's rap to McCarthy at short, who booted it in, throwing to second to cover.

Then Gill got on with the fielder's choice which cost Hewitt his life, and Ketchum scored Earthman and Jackson with his single right back of second in right field.

Deakin, for Bisbee, had the best of the average batting, for he was up five times and got four hits. Of a three bagger to deep left over Ketchum's head, Bisbee scored the first run on a ragged play by McCarthy at third, who dropped Dairymple's drive down that way, allowing Marshall to score from third. He recovered, however, in time to throw Dal out at first.

EL PASOANS TO EUROPE. New York, N. Y., May 30.—Among the passengers who sailed on the steamship Baltimore for Europe, were the El Paso boys from New York for Naples and Genoa by way of Gibraltar and Mrs. Bessie R. Bailey and Miss Willie B. McCrory, of El Paso.

Next time Bisbee plays here, there will be an excursion run from the Copper town. About 200 will make the trip, and arrangements were today completed with Garnett King, of the Southwestern, whereby a rate will be secured.

It was thought about 25 would make the trip, but business detained the majority. However, there are three live ones here for the series, all members of the board of directors—B. M. Pattison, president of the Denn mine; Jesse Yeakum, of the Warren-Bisbee Street Railway company, and Justice Owen Murphy, of Lowell, secretary of the club.

Since the 1910 inception of baseball, Mr. Yeakum has transformed himself from a disinterested party to baseball's welfare to a howling bug, and never intends to miss a game either at home or away from home all season. He was in a large measure responsible for the organization of the rotters' club, and is a booster from way back. So are Mr. Pattison and Judge Murphy. Through their efforts the excursion to El Paso next month was arranged.

### EL PASO HEADWORK WON WEEKEND GAME

Score of 4 to 2 Also Due to Bisbee's Errors—Gill Made Good.

El Paso won a pretty game from Bisbee Saturday by the small score of 4 to 2. The victory was due to a wild pitch by Marshall and a passed ball by Grindle, for of the four runs which the home team secured, only one was earned. Both scores of the visitors were won by good plays.

Bisbee secured seven safe hits off Gill, who showed up well in his first performance here, while El Paso touched up Marshall for five good ones. Bisbee batted heavily, but good headwork on the part of the local team prevented more scores.

Once in the sixth inning it looked like Bisbee's game, as there were three men on bases and only one out. Dairymple, one of the Bisbee sluggers, prepared to hit a safe one, but landed on a high ball, knocking it to Hewitt at short, who threw it home, killing Kelly at the plate, while the delivery of Merritt to first was so quick that he beat Dairymple there. There was another double play in the last inning when there was one out.

Merritt made the sensational catch of the day in the second inning, when he ran all the way back to the fence around the race track and pulled down a high one which Deakin had sent skyward.

The fans were enthusiastic throughout the game and Gill made good, winning applause every time he went to bat.

Bisbee has the giant twirler as far as height is concerned. Gill only measures six feet, one inch, while "Silvers" Marshall, the Maroon twirler, goes him just half an inch better. Maybe there will be a battle between the giants before the series ends.

One calls the other "skull" and he retaliates by applying "bone" to his partner. Marshall and left fielder Kelly, to better stand hot weather, have had their pates shorn of flowing locks, and the 'b's done water that any Chinaman could have it done. The

### JOHNSON PUNISHES HIS SPARRING PARTNER

Large Crowd Attends Boxing Exhibitions—Negro Replies to Jeffries.

San Francisco, Cal., May 30.—Jack Johnson celebrated Saturday by knocking out Marty Cutler, one of his sparring partners, and Sunday drew the largest house of spectators since he began boxing at the beach. The pavilion Sunday was crowded with nearly 1500 spectators, who cheered the big negro.

Among the visitors at the camp were Eddie Grancy, the well known referee, and Jim Neil, father of Frankie Neil, the prize fighter, at one time bantam weight champion. Both experts as well

as the spectators, as well as the press, at the showing made by the negro and declared him to be in tip-top condition, considering that he has so long in which to get ready for Jeffries. Johnson opened the program with bare-knuckling, using the medicine ball and body exercises on the mat. The boxing consisted of eight rounds, of which five were with George Cotton and three with Marty Cutler. Cotton gave the champion a good workout. Both men went at their boxing in good style, with Cutler retired with a bleeding mouth.

Because Cutler had stayed away from the camp Friday night, contrary to Johnson's orders, the Chicago trainer received a knockout punch in the second round Saturday. It was a short up-punch that did the work. Marty stayed in the dreamland for a long time. Johnson went four rounds with George Cotton Saturday, finishing on Walter Monahan, a local heavy weight recommended by referee Jack Weilman.

Regarding what Corbett has said, the negro has answered: "Corbett tells you that I have not got a good heart, does he? Well, you go back to Corbett and say that I must have had some heart to work myself into the championship. And what is more, if I have not any heart, I have enough brains and guts to win. He would like to have me give him \$5000 to come out and box with me. He would take a beating for that much money. But any time he wants to come around for a friendly sparring exhibition the door isn't going to be locked."

SPORTLETS. By Tim.

Experts say that Jeffries and Johnson each are in the best condition of their lives. Oh, that's going to be a great fight.

### DOUGLASTAKE TWO FROM CANANEA

Score of 11 to 9 on Saturday and 2 to 1 Sunday—Mathewson Stars.

Douglas, Ariz., May 30.—Douglas took the second of the Cananea series in a brilliant exhibition Sunday. The final score was two to one and neither side scored until after the sixth inning.

In the seventh, Douglas got two and Cananea followed with one in the eighth. In the last half of the ninth Cananea got two men on with safes and the next man up advanced them with a sacrifice bunt. The fourth man to bat hit to deep left. Mathewson made a grand running catch of the ball and threw the runner out at second saving the game and retiring the side.

Kane pitched for Douglas and Thomas for Cananea, each allowing nine hits. Graham of Bisbee umpired the game in place of Goyheneix and gave satisfaction.

R. H. E. Douglas—11 9 7 Cananea—2 1 5 Batteries—Douglas, Kane and Lebrand; Cananea, Thomas and Whalen.

Douglas Wins Fast Game. Douglas started the Cananea-Douglas series off Saturday by winning the opening game from the copper diggers, 11 to 2. Neither side was brilliant as baseball exponents and the fielding at times was ragged. This was not as bad as the umpiring, which was furnished by Goyheneix, and was worse than usual.

Mathewson, brother of the mighty Christy Mathewson, pitched for Douglas, and allowed Cananea 11 hits. Max Reardon, the Mexican, was in the box for Cananea, and got away with two less than the big Hank boy.

The game dragged at times, although the hitting was brisk enough to keep the interest up. The error column showed that Douglas was guilty of seven bingles, while Cananea was only one behind in the final column.

O'Donovan protested against Goyheneix officiating again Sunday, preferring two of his ball players instead of the Naco umpire.

R. H. E. Douglas—11 9 7 Cananea—2 1 5 Batteries—Mathewson and Lebrand; Reardon and Whalen.

### WIND BOTHERS THE SHOOTERS

At the El Paso Rifle club's customary weekly shoot at the range on Mundy Heights Sunday morning, weather conditions were fair during the earlier part of the morning; later a shifting wind set in.

There were nine riflemen and a number of visitors present.

The Hixson medal event was the first contest entered upon and the winning scores were made out of a possible 25: Scriven 21, Bulwer 20, Rutledge 20, Wilburn 20, Bacia 19, Pringle 19, Hurxthal 18, Allen 18, Haines 20.

This concluded the scoring in this event for the present month and the standing of the contestants is as follows:

Allen 69, Haines 62, McLamora 55, Wilburn 48, Rutledge 48, Scriven 45, Bacia 47, Pringle 45, Paul 41, Beutell 33, Capt. Jack 37, Bulwer 34. These totals are made up of Creedmore and Standard American scores.

Allen will wear the Hixson medal for the coming month.

The El Paso Optical company prize event was next entered upon and the following scores made out of a possible 50:

Actual Handicaps. Points Handicap Total Haines—46 2 47 Rutledge—46 2 47 Bulwer—46 1 47 Allen—44 4 48 Hurxthal—44 4 48 Pringle—44 1 45 Wilburn—41 3 44 Scriven—39 2 41 Bacia—36 4 40
